Membership Renewal

Thank you to everyone who has renewed their membership for 2025. If you have not taken care of this yet, please do so as soon as possible to avoid a late fee upon renewing.

RANGE CLOSURES

There are currently NO range closures. HOWEVER, as Range improvements or special events continue, there may be closures on a day-to-day basis. Even some half-day closures for the safety of all.

Guest Policy

Unfortunately, many of the major safety concerns/egregious violations that we experience occur when members bring guests and do not adequately/properly manage their guests. The BOD voted to approve the following guest policy:

- It is preferred that probationary members do not bring a guest until passing their probation period. However, it is up to the discretion of the Range Safety Officer on Duty. So that you are not disappointed or are turned away please call the Range ahead of time and clear it with the Range Safety Officer.
- All Members bringing a guest must complete a Guest Form and Waiver located in the Mailbox at the Picnic Pavilion. The Member completes the top portion, the guest completes the bottom, and the Waiver on the reverse side. The Guest Fee is paid when checking in with the RSO and reviewing the Guest Rules.
- Members are 100% Responsible for Their Guest(s) and Must Directly Supervise them to ensure Adherence to All MCSA Safety Procedures, Protocols, and SOP's. Only Members can move firearms to and from the shooting position and take them in and out of the case.
- One table/shooting position is to be used for both the member and their guest(s).
- Only one person may shoot at a time. When the member is shooting, the guest cannot shoot and must stay with and near the

Member. When the Guest is shooting the Member must always be right next to them on the Firing Line Supervising, Coaching and Directing their Guest ensuring MCSA Safe Gun Handling Standards, Safety Protocols, and Range Rules. If the Guest wants a Tour of the Club the Member Must Take Them.

- The guest must wear the issued Guest Sticker on the Center of Their Back, clearly Visible, on their clothing at all times while at MCSA.
- These rules must be followed at All Times.

Unfortunately, many of the major safety concerns/egregious rules violations that we experience occur when members bring guests and do not adequately/properly manage their guests.

When the guest commits a serious safety violation the member's guest privileges will be revoked for 90 days.

The member's current badge will be replaced with a RED badge that includes their name and member number. All other membership privileges/qualifications will remain intact during the 90 days.

The member's original badge will be kept in the office, marked with a return date. After 90 days the badge will be returned, and the member's guest privileges will be reinstated.

Additionally, a second serious violation may result in full membership revocation.

Do not jeopardize your safety, the safety of fellow members, the surrounding businesses, residential communities, and the future of our club. Aggressively supervise your Guests.

- All Guests and anyone under the age of 18 must be directly supervised by a regular member at all times.

Please note the rules here are taken directly from the “MCSA Orientation Range Booklet v1p21” document.
